Biodiversity Park

Baner Tekdi

The Baner Pashan Biodiversity Park is a 500+-acre protected green space located in the western suburbs of Pune, Maharashtra, India. The park was established with the aim of preserving the natural ecosystems of the area and promoting biodiversity conservation.

Visitors to the park can explore the park’s extensive network of hiking trails, which wind through the various habitats and provide ample opportunities for bird watching and wildlife spotting. The park also offers a number of educational programs and workshops for visitors of all ages, aimed at raising awareness about the importance of biodiversity conservation.

One of the unique features of the Baner Pashan Biodiversity Park is its “citizen scientist” program, which allows visitors to participate in scientific research and data collection aimed at understanding and protecting the park’s ecosystems.

Maidan

Maidan

The Maidan is the centrepeice around which 5 Maidan is created. Offering multiple play areas, fresh air, greenery, abundant space and lots more, the maidan will be where the community at 5 bonds with the neighbourhood.

5 acre MAIDAN

Green Open Spaces

5 Maidan rises next to a playground reservation that spreads across 5 acres. Designed and developed to strengthen a nature-man balance and provide a serene space to unwind and unfold after a long day's work, the park offers ample opportunities to escape from the routine and unite with nature and the community at large.

Maidan

Playground

The maidan offers a mix of well planned spaces that encourage an active lifestyle. Be it a game of tennis or just a walk in the park, there will be a range of options available for everyone.

Miyawaki forest

The benefits of a miyawaki forest include increased biodiversity, less air pollution, more soil water absorption and cooling of the surrounding areas.

Seating area

The maidan will have planned seating areas for senior citizens and designated places to relax after a hard fought game.

Walkways

The maidan will have walkways for you to enjoy a long walk in solitude or with a group of friends to renergeise your day.

Infrastructure

A mix of play areas for children and adults, designed for outdoor sports and an active lifestyle. It will have play areas and seating.

The centre piece

5 Maidan derives its essence from the 5 acres of green open spaces adjacent to it.

RIISING UP TO CREATE ENCHANTING EXPERIENCES

The project is a celebration of nature, intricate craftsmanship, meticulous planning and high-quality robust materials. The distinctive and uncomplicated facade that opens up to stunning views of the city and the park while allowing in ample sunlight throughout the day is like witnessing a dance of modern architecture on the tunes of natural elements – all synchronized into a harmonious piece of elegance, serendipity and sustainable luxury.

Design Philosophy

Externally, the building stands as an embellishment to the lush verdant garden glimmering in its full glory. And inside - it presents an air of abundance inspired by nature, comfort derived from intricate design, and luxury lured by intelligent craftsmanship.

Amit Ghatge
Architect

5 Maidan was conceptualized as a living ode to the art of balance. We were inspired by nature and man alike. We wanted to capture the essence of both tranquillity and late night celebrations. And hence we designed homes that set you free and yet keep you rooted.

Well Ventilated Homes

A well ventilated home ensures fresh air in abundance and reduces fatigue and accidents. Our large windows with covered and shaded balconies ensure our homes have HIGH ACH and are safe homes.

Wind Path
Oriented Homes

More Air Changes
per Hour (ACH)

Large Windows
& Balconies

Air Changes per Hour (ACH) is a measure of the number of times the air within a defined space (a room or the house) is replaced by ventilation.

Scientific analysis has helped identify key factors that contribute to maintaining optimum temperature levels within a home at 5 Maidan by allowing more Air Changes per Hour (ACH). Adequate measures have been taken, from the right window size to the spacious living room, to keep the temperature within your home pleasant all day long.

Brighter Homes

Poor lighting reduces visibility and causes accidents. Large windows in all our rooms ensure ample natural light is available through the day. Our homes have high LUX and are brighter and safer.

Sun Path
Aligned Homes

Less Heat,
More Natural Light

Larger Shaded
Windows & Balconies

LUX is the measure of the intensity of light within a place, as perceived by the human eye. Homes at 5 Maidan exceed the pre-requisite standards of illumination as prescribed by the National Building Code.

Scientific analysis has helped identify key factors like right window sizes and shading solutions that allow more sunlight inside the house and give good quality of glare free light throughout the day.

More Space, More Living

Space to learn something new, space to create memories with loved few.

In today's busy world, you now have the space and the liberty to experience your life your way. Spacious homes that enable each one in the family to live life in their own unique way and pursue their interests. Homes that are big and cozy for the entire family to come together and experience the joy of togetherness.

Terms & Conditions

This Brochure is purely conceptual and not a legal offering. Enerrgia SKYi Ventures hereby also referred as the developer, is developing 5 Maidan, hereby also referred to as the project. The developer reserves the right to add, delete or alter any details and / or specifications in its endeavour to make improvements as and when required. The images, layouts and maps presented in the brochure are for indicative purposes only and the same are not to scale.

The floor plan shown here is indicative, measurements are prior to application of finishes & same are subject to minor variation. The actual floor plan of a particular unit could be a mirror image of floor plan shown here which may have different orientation, openings & the same is subject to offsets created by structural elements such as elevational / facade features, columns & beams etc. Allotee must check the actual floor plan of the unit he / she is intending to buy and the same is available at project sales office and the RERA website.

The temporary Mock-up / sample apartment dimensions, fixtures & provisions are for representation purposes only.

The actual sizes of the apartment may differ slightly.

The AC outdoor units shall be installed in pre-defined locations shown by the developer. The air conditioning services, pipes, and other allied services in every home are to be preserved as per safety rules and regulations. All installments, internal and external piping, ducting, covering and other costs are to be borne by the purchaser.

All the bathroom false ceilings and appropriate coverings to conceal the internal piping and air conditioning drainage structures are to be done by the purchaser.

The furniture / kitchen / bathroom layout & accessories shown in the plan are only for the purposes of illustrating / indicating a possible furniture layout & the same is not a part of standard offering, design, planning, further developments in surroundings areas etc. shown is tentative, subject to modifications on account of any change in plans, permissions, and final approval of the respective authorities.

None of the objects / representations mentioned herein constitute a legally binding agreement or representation.

The developer does not take responsibility that may arise from any information given in this brochure. It may please be noted that the contractual rights and obligations between the Purchaser and the developer shall absolutely be governed by the agreement for Sale and other ancillary deeds and documents, as may be executed, between them and / or any third parties. The Purchaser is requested to appraise himself about the detailed description about the project, the unit purchaser is intending to purchase, terms and conditions contained therein with the help of an independent legal and tax advisor before making a purchase decision.

It may further be noted that the pricing of the flats / units quoted by the developer does not include the costs of furniture, floor coverings, curtains, mirrors, wall hangings, light fittings, furnishings etc. as depicted in brochure and / or otherwise. The brands and make of the material used in the flats / units are indicative and the material actually used may be of equivalent make & quality as per availability at the relevant point of time.

Purchaser is required to verify all the details, including but not limited to area, amenities, services, terms of sales and payments and other relevant terms independently with the sales team and from the contents of agreement to sale prior to concluding any decision for buying any units in any of the said

projects. It is the responsibility of the Purchaser to evaluate the accuracy, completeness and usefulness of any data, opinions, advice, services, or other information provided herein or by the distributor(s) hereof. All information contained herein is distributed with the understanding that the authors publishers, and distributors, assume no liability whatsoever in connection with its use.

Distance & timeline are tentative and approximate, subject to traffic condition, road and infrastructure facilities to be provided by the appropriate authorities. Trees and green area shown are the representation purpose only. Layout is for reference purpose only.

The standard kitchen offering will not include a platform / otta, sink, CP fittings, dado tiles and modular kitchen cabinets and is not included in the price of the apartment. The purchaser will have to design and install them separately as per their choice and at an additional cost. The kitchen platform / otta, sink, CP fittings, dado tiles and modular kitchen cabinets etc. will have to be installed after the receipt of OC or possession whichever is later.

No changes will be accepted by the developer for any internal changes in the house. For any kind of changes post OC, the purchaser shall do the same at his own cost with the prior written permission of the developer and statutory authority.

Parking will be allocated at the discretion of the developer. Parking allotted could be across different levels in the said project. EV charger (AC) can be provided for select parking slots at an additional cost.

In the current layout, all towers are planned up to 25 habitable floors. The plan will be sanctioned in a phased manner by revising the layouts periodically from the statutory authorities. 5 Maidan is a high-rise development and hence each apartment may have a sprinkler system installed inside the apartment as per the existing rules. The sprinkler system will be exposed and could be in multiple rooms inside the apartment. The purchaser will be responsible for covering the sprinkler systems, air conditioning pipes, conduits and more, in the apartment at their own expense.

The Pentagon Club is a part of 5 Maidan and all the terms and conditions of The Pentagon Club shall be binding on the member of the club at all times. The annual maintenance fees are to be paid as applicable.

It is clearly stated by the developer that the playground reservation (PG-6) is outside the project and is not a part of the project. It is also stated by the developer that the area reserved as a playground will be developed and maintained by the respective authorities and not the developer. The developer is not responsible for the development or the maintenance of the area reserved as the playground. The developer also is not responsible for any change in the status of the reservation in the future. The image of the playground outside the project is strictly representational and not the actual image. The amenities and facilities shown in the playground are for representation only and are subject to change.

The area and land outside the building on pages 10, 11, 32, 38, 40, 54, 62 is not a part of the project. The developer does not have any right over the area or land outside the building premises and is not responsible for its development or maintenance.
